

WELCOME

WELCOME TO THE ALASKA FAMILY ACTION VOTER GUIDE FOR THE 2021 MUNICIPALITY OF ANCHORAGE ELECTION ON TUESDAY, APRIL 6.

Alaska Family Action is the only statewide group that surveys candidates for their views on issues important to social conservatives and then makes those responses available to the public.

Here you can find out where candidates stand on crucial issues such as protecting human life, promoting family values, defending religious liberty, advancing educational choice, and reforming our judicial system.

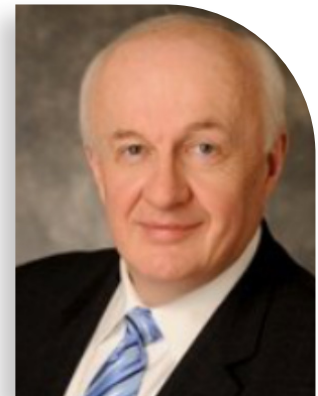

It's cliché but true: knowledge is power. That's especially true when we have to choose who will serve us in public office. We've been producing voter guides for every state election since 2008, and in recent years we've expanded this project to include local election voter guides in the Municipality of Anchorage, Fairbanks North Star Borough, and Matanuska-Susitna Borough. We hope to expand to even more regions and communities in the future.

Producing and distributing our voter guides is not cost-free, and 100 percent of our funding comes from voluntary contributions from fellow Alaskans who value this work. **We could sure use your help.** You can make a check payable to "Alaska Family Action" and mail it to the address at the bottom of this page. Or you can make a donation on-line at: www.akfamily.org/donate

Most important, be sure to share this voter guide with your friends at work, church, and elsewhere. Together we can make a real difference to elect leaders who share our pro-family values!
