MASKS OPTIONAL: The school district should end all mask mandates, and instead permit students and employees to wear a mask, or not wear a mask, as they choose.

KEEP PLANNED PARENTHOOD OUT: Planned Parenthood’s curriculum on sexuality is harmful to the physical and social well-being of young people and should not be taught in public schools.

STOP LGBTQ INDOCTRINATION: The “Social themes in literature class” added to the curriculum last year promotes LGBTQ ideology and should be discontinued.

ABORTION-FREE SCHOOLS: School district employees, such as nurses, should not refer students for abortion or otherwise facilitate abortions, e.g., by transporting students to Planned Parenthood.

CRITICAL RACE THEORY: “Critical Race Theory” is a poisonous left-wing ideology that undermines American values and should not be taught in district schools.

END BIASED “DIVERSITY” TRAINING: The school district should end so-called “Diversity, Equity and Inclusion” training for employees that teaches “Critical Race Theory” and LGBTQ ideology.

PROTECT STUDENT PRIVACY: The district should require that multi-occupancy restrooms and locker rooms be designated for and used exclusively by persons of the same biological sex.

PERMISSION BEFORE SEX ED CLASSES: Written parental permission should be required before any teaching on human sexuality, i.e., parents must specifically “opt in” for such instruction rather than merely being allowed to opt out.
