PROTECTING LIFE

- 1) Do you support ending all public funding of entities that perform or promote abortions, such as Planned Parenthood?
- 2) The “No Taxpayer Funding of Abortion Act” (H.R. 18), sponsored by 198 members of Congress including the late Rep. Don Young, would codify the Hyde Amendment and establish a permanent, government-wide prohibition on federal funding for abortion. Do you support this legislation?
- 3) The “Pain-Capable Unborn Child Protection Act” (H.R. 1080), sponsored by 167 members of Congress including the late Rep. Don Young, would protect preborn children from abortions performed later than 20 weeks after fertilization, based on their ability to feel excruciating pain. Do you support this legislation?
- 4) The “Born-Alive Abortion Survivors Protection Act” (H.R. 619), sponsored by 204 members of Congress including the late Rep. Don Young, would criminalize infanticide and require health care practitioners to provide the same medical care to infants born alive after a failed abortion as they would for any other infant born at the same gestational age. Do you support this legislation?
- 5) Please indicate what statement most closely reflects your policy position as to when the law should permit and/or prohibit abortion:

RELIGIOUS LIBERTY & CIVIL RIGHTS

- 6) **STATEMENT:** The so-called “Equality Act” (H.R. 5), which proposes to create special protected categories based on “sexual orientation” and “gender identity,” poses a grave threat to religious liberty, conscience protections, and privacy in intimate facilities such as restrooms, locker rooms, etc.
- 7) **STATEMENT:** Proposed legislation to revive the “Equal Rights Amendment” (H..J. Res. 17) should be defeated, as it will overturn existing pro-life policies, mandate public funding of abortion, and undermine women’s civil rights protections due to judicial rulings claiming that laws prohibiting discrimination on the basis of “sex” must be interpreted to include “gender identity” and “sexual orientation.”
- 8) Would you support legislation, similar to the “First Amendment Defense Act” (H.R. 2802) of the 114th Congress (2015-2016), to bar the federal government from discriminating against individuals and organizations based upon their religious beliefs or moral convictions that marriage is the union of one man & one woman, or that sexual relations are properly reserved to such a marriage?

AMERICAN VALUES

- 9) Would you support legislation in the House of Representatives similar to the “End CRT Act” (S. 2221) which would prohibit federal agencies and any other recipients of federal funding from teaching “Critical Race Theory” (CRT)?
- 10) **STATEMENT:** Do you agree or disagree with the following statement issued by former President Donald Trump, as part of his May 28, 2020, executive order concerning social media platforms?

“In a country that has long cherished the freedom of expression, we cannot allow a limited number of online platforms to hand pick the speech that Americans may access and convey on the internet. This practice is fundamentally un-American and anti-democratic. When large, powerful social media companies censor opinions with which they disagree, they exercise a dangerous power. They cease functioning as passive bulletin boards, and ought to be viewed and treated as content creators.”

- 11) Do you support reforming Section 230 of the Communications Decency Act to combat censorship from social media platforms like Facebook and Twitter?

EDUCATION POLICY

- 12) Do you support the “CHOICE Act” (H.R. 5959) to expand the ability of parents to choose either private- or public-school options in certain federally funded educational programs that serve disabled students and military dependent students?
- 13) Do you support the “Protection of Women & Girls in Sports Act” (H.R. 426), which would make it a violation of federal law for any recipients of federal funds who operate or sponsor athletic programs to permit biological males to participate in sporting programs/activities designated for women or girls?
