1. NO TAXPAYER SUBSIDIES FOR ABORTION: The Municipality of Anchorage should adopt a policy that disallows any municipal funds from being used to pay for abortions, promote abortion, or subsidize groups (such as Planned Parenthood) that perform or promote abortions.

2. PROTECT PRIVACY IN INTIMATE FACILITIES: Anchorage Municipal Code should be amended to protect the privacy of citizens by requiring that intimate facilities within municipal buildings—such as locker rooms, showers, changing rooms, and multi-occupancy restrooms—be designated for and used exclusively by persons of the same biological sex; and further provide that all non-governmental facilities may lawfully choose to designate intimate facilities for use exclusively by persons of the same biological sex.

3. DEFEND RELIGIOUS LIBERTY / FREEDOM OF CONSCIENCE: Title 5 of the Anchorage Municipal Code (“Equal Rights”) should be amended to clarify that no person may be compelled to engage in any expression or take any action that would violate his or her sincerely held religious beliefs, including the belief that marriage is or should be recognized as the union of one man and one woman.

4. FAMILY-FRIENDLY LIBRARIES: The municipality should adopt a policy barring the Anchorage Public Library system from sponsoring “Drag Queen Storytime” or other programs that seek to indoctrinate young children in transgender ideology and promote gender confusion.

1. PROTECTION OF PRIVACY IN INTIMATE FACILITIES: The Anchorage School District should protect the privacy and dignity of students by requiring that certain intimate facilities—such as locker rooms, showers, changing rooms, and restrooms—be designated for and used exclusively by persons of the same biological sex.

2. NO ABORTION PROVIDERS IN SCHOOLS: Groups that perform or promote abortion, such as Planned Parenthood, should not be permitted to teach sex education in the public schools.

3. SAFEGUARD FAMILY AUTHORITY OVER MEDICAL CARE (1/2): No school district resources—including personnel such as school nurses—should be utilized in the provision of abortion or contraception to students, including by way of referral.

4. SAFEGUARD FAMILY AUTHORITY OVER MEDICAL CARE (2/2): School healthcare practitioners should be required to obtain written parental consent before providing treatment to a minor child.

5. DEFEND PARENTAL RIGHTS TO DIRECT EDUCATION OF CHILDREN: A parent has the right to object to and withdraw her child from any activity, class, performance standard, test, assessment, or program that the parent believes is harmful to the child.

6. WRITTEN PARENTAL PERMISSION BEFORE SEX EDUCATION: The written permission of a parent or guardian should be required before a student participates in any activity, class, or program that includes content involving human sexuality and reproduction – that is, parents should be required to “opt in” their child for such instruction, as opposed to a mere “opt out” provision.

7. TEACHING GENDER IDENTITY ONLY WHEN AGE-APPROPRIATE: Schools should be prohibited from teaching lessons on “gender identity, sexual activity, or sexuality” in kindergarten through fourth grade.

8. PARENTAL NOTIFICATION OF GENDER IDENTITY CHANGES: Schools and teachers should be required to inform parents if their child has requested a change in name or pronouns prior to making any alterations to the student’s identity in school records or by school personnel.

9. SEXUAL RISK AVOIDANCE: When sex education is taught in public schools, it should be based on a “sexual risk avoidance” (SRA) methodology that teaches students the benefits of refraining from non-marital sexual activity, and which teaches that “risk avoidance” is superior to mere “risk reduction.” (For more information, see <https://www.frc.org/SexualRiskAvoidance>)
